

A.J. McAdam, the newest member of the Salmon Creek team of golf professionals, is a local product that spent the last 20 years in Europe helping develop the game of golf. He brings passion and experience along with a unique teaching style.

A.J. has worked with a number of Tour players in Europe both female and male, as well as NCAA-Division 1 Champions as well. All skill levels and ages are welcome as well as groups and individuals.

- Certified Titleist Performance Institute Golf Professional
- K-Vest certified with kinesiology and kinetics specialization
- Member of PGA since 2001
- Developer and Founder of G:RAM Sports s.r.o. and G:RAM method
- Established first ever Golf Channel Academy in Europe

A.J. was lucky to have worked with so many great players over the years and is happy to return back home and start a new chapter here at Salmon Creek C.C.

Training with A.J. @ Salmon Creek C.C.

Private 1 on 1 (single lesson rate)- \$95/hour

Private 1 on 1(weekly student rate)- \$75/hour

*Groups rates depend on clientele needs, but hourly rates usually apply. There are no discounts for private junior lessons.

On course training available based on tee-time availability.

9 hole playing lesson - a warm up on the range, 9 holes with AJ, and a review after the game. Up to 3 players.

18 hole playing lesson- players more advanced players looking to improve scoring. Warm up, play 18, with lunch and a review after the game. Up to 3 players.

NEW products for 2021...(group or individual)

Short game lessons - lessons aimed at short game only and even more specific like a "Bunkers 101", or How to putt like a Pro!

Power School of Golf- lessons aimed at adding power and distance for a player and or group of players that include a Mach 3 Speed training program(ask for details). Let's all learn to hit the ball 20 yards longer off the tee and find both club head speed and better balance and consistency when you want to bomb it!

All this and more from our new professional. Contact A.J. @ (585)297-4599 or email him at aj.golflab@yahoo.com or inquire at the pro shop.
